Summary of reasons for decision:

The publication is a computer image file which has been submitted by the Educational Council of New Zealand as part of disciplinary proceedings they are undertaking against the owner of the publication. The publication has been found to promote and support the use of urine in association with sexual conduct and is therefore deemed to be objectionable under s3(2)(d) of the Films, Videos, and Publications Classification Act. While the classification interferes with the right to freedom of expression as affirmed by the New Zealand Bill of Rights Act 1990, it is consistent with Parliament's intention that publications falling under s3(2) of the FVPC Act are deemed to be objectionable.
